Highlights of 06 November 2026 Current Affairs

- The Indian men's hockey team has won the Asian Champions Trophy by beating Japan 4-1 in the final at Mohali. This was India's 6th title and 3rd consecutive title of the Asian Champions Trophy. The Asian Champions Trophy was successfully conducted by the Punjab Government in the two cities of Jalandhar and Mohali.
- Indian hockey player Neelkant Sharma, the midfielder, has announced his retirement from international hockey on the occasion when India won the Asian Champions Trophy gold at Mohali.
- Cristiano Ronaldo, the star footballer from Portugal, has announced his retirement from international football. He has added major trophies under his belt in the Portugal jersey at Euro 2016 and also won the 2019 and 2025 Nations Leagues. He played 234 matches for Portugal and scored 146 goals.
- Fairfax India Holding Corporation has acquired additional equity in IIFL Capital through its affiliate company FIH Mauritius Investments Ltd, which increases its holding from 26.82% to 38.04%.
- The Government of India is set to monetise the surplus land and building assets of its Central Public Sector Enterprises (CPSEs), which are worth Rs 1,100 crore. For this, the National Land Monetization Corporation (NLMC), which is wholly owned by the Government of India under the administrative control of the Department of Public Enterprises and the Ministry of Finance, will oversee the process.
- IRDAI has changed its rules regarding two-wheeler and car insurance, where it has divided motor vehicle insurance into four parts, and companies have to clearly state every condition regarding the insured person, including whether they are charging for a passenger on the back seat of a car or two-wheeler. All these rules are to be implemented from 15 December onwards.
- The Telecom Regulatory Authority of India (TRAI) has launched the new MySpeed app for measuring the internet speed of a particular region.
- Indian Navy warship INS Sahyadri reached Japan's Yokosuka Naval Base to participate in the naval exercise among Japan, the United States of America, and Australia under the name of Malabar 2026. The Malabar Exercise started in 1992 between India and the United States of America, and later Japan became a permanent member in 2015, and Australia rejoined the exercise in 2020.
- The National Payments Corporation of India (NPCI) has launched its wholly-owned subsidiary company named NPCI Tech Solutions Limited (NTSL) for technology innovation and digital financial infrastructure, and for this, NPCI appointed Vishal Kanvaty as its Chief Technology Officer (CTO), Managing Director, and Chief Executive Officer (MD & CEO) of the company.
- The Commonwealth of The Bahamas has joined the International Solar Alliance (ISA) as the 116th member of the alliance. The International Solar Alliance was started by India and France in the year 2015 to promote solar energy internationally and was launched at the United Nations Climate Change Conference (COP21) in Paris. ISA has its headquarters in Gurugram, Haryana, India.
- The Indian contingent at the ISSF World Championship 2026 in Doha, Qatar, won the silver medal in the men's 10m air pistol team event, with Jaypal Malviya also securing a

quota for the Los Angeles 2028 Olympics. Additionally, Manu Bhaker, Suruchi Singh, and Sainyam Vij also won the silver medal in the women's 10m air pistol team event.

- The Ministry of Railways has won the Pradhan Mantri Surya Ghar Excellence Award 2026 during the Renewable Energy Summit & Expo 2026 held at Bharat Mandapam, New Delhi. The award was presented by the Vice President of India, C. P. Radhakrishnan. This award has recognised the Ministry of Railways for its achievements in rooftop solar installation, renewable energy adoption, and the promotion of sustainable infrastructure across the country.
